Dear Mr. Kapaun:

I am referring to the letter from this office dated 10 July 1953 concerning the death of your son, Chaplain (Captain) Emil J. Kapaun.

Subsequent information has been received from a repatriated soldier who was with your son in a prison camp in Korea. In view of the information furnished by this repatriated soldier, the records of this office have been amended to show that your son died in Korea on 23 May 1951 as the result of pneumonia, while in the hands of the opposing forces.

Sincerely yours,
