CHRISTMAS
JOY

AND A HAPPY 1951

Marion, Louis, and Mary Lou Hurtig

Dear Fr. Kaupaun,

We don't know where you are but have wondered about you for sometime. We should be ashamed of ourselves for not writing. We left Washington the first of June and have since resided in Oklahoma City. It is a nice place but we do miss Washington.

You probably know more than we read in the papers.

However, what we read sure doesn't sound good to say the least. What it is all coming to is yet to be seen.

You should see our little offspring. She is sure our pride and joy. She is 17 months old and her sure gets around for 17 months. She is beginning to talk our arms off and is quite handy at pulling all of her mother's pots and pans out on the floors.

I saw Fr. Meier in July. At that time he was in Caney Kansas working hard. I hope to get up to see him again one of these days the weather and conditions permitting it.

Father I would like to write more but I have several of these notes to write tonight. So here's wishing you a very Merry Xmas and an abundance of the Lords Blessings for the coming year. We will remember you in our prayers. Sincerely, We "3" Hurtigs.
