

This Crucifix is blessed.

May it be a symbol of always a happy
home for you, and a little remembrance
from a friend at C. U. in appreciation of
the many kindnesses you have done to
me.

To. E. Kefauver

To Louis + Marian Hurtig

A Holy Easter to you,

May your skies be cloudless
Your spirit gay
Upon this gladsome
Easter Day.
May each lily's chalice
Be filled for you
With sweetest blessings,
With graces true!

From Father E. Kefauver
